- Small vessel operation.
- Skilled equipment operations including but not limited to forklift, pump operations, hand tools (Hydraulic, pneumatic, electric and gas powered) and heavy equipment (excavators, loaders and back hoes).
- Welding and cutting.
- Oil Spill response.
- Deploying, retrieval, and processing of sorbent materials.
- Boom deployment and retrieval.
- Boom and fender maintenance.
- Driving/positioning company vehicles.
- Other duties as assigned.

## Requirements:

- All employees must be legally authorized to work in the United States.
- Must submit driving record for the past three years.
- Pre-employment drug test.
- TWIC.
- HAZWOPER (training available).
- Ability to lift 50lbs repetitively.
- Safe work practices.
- Available to work any day of the week both night and day.
- Available for after hour emergency response.
- Ability to work in a fast paced environment while satisfying customer needs and maintaining effective working relationships.
- Ability to work with a team and independently.
- Ability to work under pressure and achieve required deadlines.
- Ability to proactively identify issues and offer solutions.

## Preferred Credentials:

- CDL.
- Equipment Operating School.
- UST De-commission License.
- USCG License.
